### CH. HI-STAND'S HOW DO YA LIKE "ME" NOW "COLLEN"

Sire: Ch. Sarkel's True Grit, CGC Dam: Ch. Hi-Stand's Signature of Sarkel

Collen turned two the end of March, and began his second year of life competing in the Breed ring. Thus far, he has done very well for himself (and us), with numerous breed wins, and a group placement. Collen will be heart tested at the ABC this year, and the rest of his health tests will be completed within the next few months. His record as a sire has yet to be made, but we expect great puppies sired by him in the years to come.

Collen is a double Ch. Hi-Tech's Arbitrage, SOM, LOM great-grandson. Sharing great attributes on both sides of his pedigree, he also repre-

sents the very best of the Sarkel and Hi-Stand bitch lines. We've always believed a good stud dog is only as good as the quality of the ladies who come his way. In Collen's case, we know he'll have lots to offer to those special ladies – a sound temperament, beautiful headpiece, great expression, fantastic layback of shoulders, accompanied by beautiful angulation, a short and level topline and movement – all wrapped up in one package!
